

SAYS GOVERNOR MUST APPOINT

Freeing Decides Leahy
Cannot Fill Vacancy
in Board

OFFICIALS SWORN IN

E. H. Simpkins Was Elected
but Died Before Time to
Assume the Office

Special to The World.
PAWBUCKA, July 5.—Five new county officials should have taken their oaths of office today, but owing to the death of one of the successful candidates the personnel of the new board of county commissioners is a matter of speculation. The new incumbents today were Miss Ella Malone, who succeeds J. H. Porter as county school superintendent, Edward Fletcher, who takes the place of E. J. McComb as county treasurer, S. E. Tates, who takes C. A. Cook's place as county commissioner, and Henry H. Adams of Hominy, who succeeds J. J. Porter to the same office.

Traveling the campaign last summer various organizations petitioned W. T. Leahy to name the race to succeed himself as county commissioner from this district, being chairman of the present board. This he declined to do on the ground of the necessity of devoting all his time to his numerous interests and holdings. E. H. Simpkins was elected and died before qualifying, leaving the successor to Leahy.

As counsel from the attorney general's office cites the parallel case of S. S. Butterfield, declaring that the provision in chapter 203 of the laws of 1917, "and until their successors are elected and qualified," adds no right to the present incumbent in continuing to hold over the term. The opinion adds that the vacancy shall be filled by appointment by the governor.

BROWNS IN UNIVERSITY LAKE.

Ventured in Deep Water Minus His
Usual Support.

Special to The World.
ENID, July 5.—The 18-year-old son of Mr. and Mrs. John R. Lyle, who was learning to swim in the University lake, was drowned Friday evening. Glenn had been stepping into the water from the dock steps and another boy had been throwing an automobile tire at him and then holding him along until he could make a landing.

A crowd of bathers saw him but did not realize the trouble and when they did, several dived for him, bringing him up, but life was gone. They hurried him to the hospital to have a pulmotor used, but it was already too late.

Convenient Tourist Camp.

Special to The World.

ENID, July 5.—Enid has a tourist camp equipped with three hydrants, supplying drinking water and one substantial toilet building, built in two compartments, with concrete floors and shower baths. Another building has four separate bathrooms of gas for convenience in preparing meals. A commodious restroom, screened with table and benches, is arranged for serving meals. There is a shower of shade and tourists passing through Enid have pronounced it a delightfully pleasant place to camp.

Kid's Playground Is Opened.

Special to The World.

ENID, July 5.—The children's playground was formally opened Saturday and about 100 children enrolled. The large sand box was the main attraction with the smaller children and another will be installed immediately. The supervisor is planning to have tennis courts and a baseball league. Supervisors are with the children all the time during the play hours, helping them master the new apparatus and teaching them how to play.

Shots Wife, Then Self.

Special to The World.

DALLAS, Texas, July 5.—W. H. Lancaster, a clerk in a local shoe store, shot and probably fatally wounded his wife and then turned the gun on himself in a room at a hotel at 10 o'clock this morning. Lancaster died about an hour later at the Emergency hospital. Mrs. Lancaster was taken to a sanatorium. Four shots were fired. Two are supposed to have taken effect in the wife, who was lying in bed at the time of the shooting.

Bill Raisers at Work.

Special to The World.

PORT WORTH, Texas, July 5.—Police today are investigating a report that four \$20 bills had been raised to \$50 and passed on local money picture shows Monday night. One man has been arrested in this connection and it is said police are on the trail of three others. The bills were cleverly raised. A five was cut from a \$5 bill and pasted over the 1 on a \$10 bill. The "five" was cleverly done in ink.

Double Tragedies in Illinois.

Special to The World.

CHICAGO, Ill., July 5.—Police today were investigating a mysterious double tragedy revealed by the finding of the bodies of Morris Engel and of Rochester, Minn., a world war veteran, and Mrs. Katherine Seligson, young divorcee, in the latter's apartment. They had been dead 24 hours. A gas jet was open and the room filled with fumes.

Benefit of Girl Scouts.

Special to The World.

ENID, July 5.—The Kiwanis club will meet the Lions on the 10th diamond Wednesday and play for the championship and incidentally to create a fund for the Girl Scouts to see Drury Kane, for a two weeks' trip. A big party was given last night and a real comedy is being staged.

Shoe Prices Down.

Special to The World.

CHICAGO, July 5.—The price of shoes has decreased from 30 to 40 per cent of the price of a year ago, according to the opinion of delegates attending the Illinois Shoe Retailers' association convention here. The delegates declared shoe prices could be no lower until labor conditions change and wages are decreased.

Could Wins Two to One.

Special to The World.

ENID, July 5.—Miss Bessie Trull, court clerk, has recently compiled statistics for the fiscal year and states that 245 divorces have been granted in Garfield county and 530 marriage licenses issued.
